Dear Footballers

Welcome to Warsash Wasps and the start of the 2010/2011 football season.

On the 4th September we will be holding our annual open day for all new footballers that wish to join our development squads and to welcome back the current development squads for the new season.

Therefore, would like to invite the powerchair football team down to the grounds for our first training session and welcome you to the club as one of the new teams within the club this season.

With your help we want to use this opportunity to put on a demonstration of powerchair football and it would be great if you could attend, join in and have some fun too.

Please reply as soon as possible and I look forward to seeing you all on the 4th September.
